## OBJECTIVES

The project contributes to the achievement of the Investment Priority of the POCTEP Program in the protection and valorization of cultural and natural heritage, as an economic base support of the cross-border region, since it focuses on valuing the abundant cultural heritage of the Napoleonic era, generating an attractive, differentiated, quality and sustainable tourism product that allows generating economic activity and employment in the region.

The specific objectives of the project are:

- 1.- To inventory, signpost and connect the tangible and intangible heritage elements of the itinerary in the POCTEP space in order to include them in the European Cultural Itinerary "Destination Napoleon" of the Council of Europe.
- 2.- To develop and market a tourist product in collaboration with the entities of the sector.
